*“Haven't you any fish?”*

- How do you imagine the disciples must have been feeling in the days immediately following Easter?
- Fishing: central to the lives of the disciples  
(compare to Luke 5 – who was fishing, how much was caught...)
- What is significant about the time of day when Jesus meets the disciples in John 21?
- Why do you suppose he chose THAT time to come?
- How would you answer Jesus' question - “How's your fishing going?”
- ***“The consciousness of my failure is the prerequisite to my appeal to Him to prosper my work.” [Alexander Maclaren]***
- Theme of “night” in the Gospel of John:  
consider John 3:2; 13:30; 19; 20:1; 20:19
- What's the significance of “153” .... large fish?
- Where does fear fit into the disciples' response in John 21? Compare to Luke 5.
- Why do you suppose Jesus chose to meet the disciples around a *FIRE*?  
(Compare to chapter 19....)
- ***“Bring some of the fish that you have just caught....”***  
Why is this such a strange thing for Jesus to say?
- Why does this, strange as it is, give us reason for hope?
- Bread and fish: an early symbol of the Christian life  
What might it mean to you?
